216fenber:

A page of aged, cream-colored musical manuscript paper. It features 12 horizontal staves, each consisting of five lines. The staves are arranged vertically down the page. The paper shows signs of wear, including a small piece of tape in the top left corner and a larger piece of tape on the right side, partially overlapping the staves. The right edge of the page has a vertical strip of paper with small, evenly spaced tick marks, likely for a binder or folder.
